

The image features a green rectangular background with a dark green border, resembling a circuit board. In the center, the word "Heliotrope" is written in a large, white, sans-serif font. The text is partially overlaid by a white rectangular frame that has a notch on its left side. To the left of the text, there are several white circular shapes: a large one in the top-left corner, a smaller one in the bottom-left corner, and two small dark circles near the top center. Below the text, there are two horizontal rows of small white circles, each containing ten circles. To the right of the text, there are several white lines and shapes: a vertical line of ten small circles, a diagonal line of five small circles, and a horizontal line of five small circles. The overall design is clean and modern, with a focus on geometric shapes and a limited color palette.
